## JCPC Program

Mentees have gotten off to a great start to this school year. The Coordinator worked with the mentees on character building, and the mentees built “Fuel Cell Cars”.

## Upward Bound Program

The students of Upward Bound had the opportunity to tour both Guilford College and HighPoint University, where they explored campus facilities and learned more about academic programs and student life.

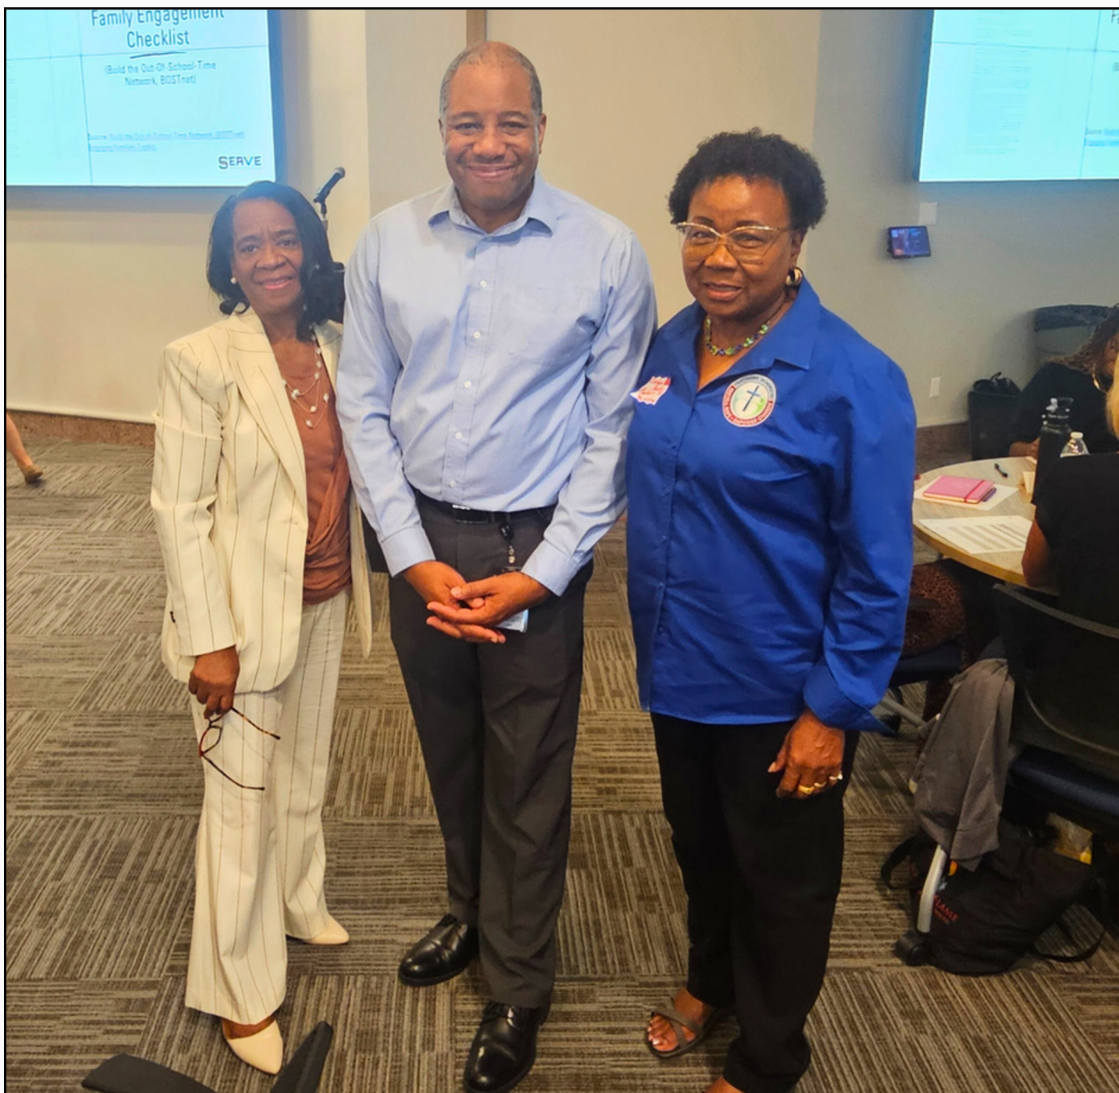

Upward Bound held a fafsa night & Information Meetings for potential participants and their parents. The session provided students and parents the opportunity to meet the staff, ask questions, and learn more about the amazing opportunities the program has to offer.

September 10 - 11, 2025
