SYSTEM Afterschool Program cont.

The Lights On Afterschool Celebration was a vibrant occasion. On October 23rd, we welcomed a full house, with parents and representatives from the city and schools joining us. Among our distinguished guests was Representative Garland Pierce, who presented Partners In Ministry with a Proclamation from the State of North Carolina, alongside Mr. Rick Singletary, the Chairman of the Scotland County School Board of Education.

Our afterschool students had a couple learning excursion trips to the NC State Fair on October 21st and to Main Event in Fayetteville on October 27th.

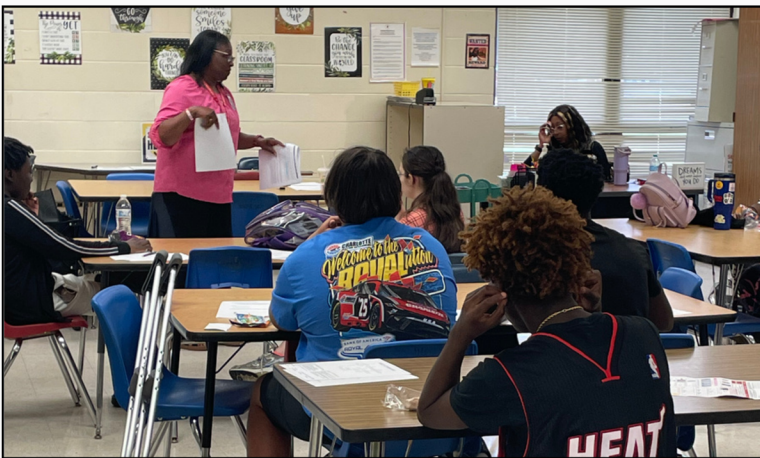

Upward Bound

This month, our students were thrilled to explore various college campuses as part of our continuous initiative to motivate and equip them for their journey into higher education!

Students were given the chance to participate in weekly sessions featuring captivating presentations from notable speakers, including Dr. Powell, the Director of Student Achievement, and representatives from College Central.

JCPC Program

This month, our mentees launched their individual and group sessions centered around the theme of ****Connections: Self-Awareness & Personal Values****. To delve into what truly matters in relationships, they participated in a thought-provoking journaling exercise, responding to the prompt: **What's important to me in a friendship or relationship?**

Additionally, they have been channeling their creativity into designing and building an exciting RC car course.
